Participating in Summer  
Reading

promotes literacy,

reinforces reading skills,

and

provides

activities that are

free, fun, safe, convenient

And available to ALL!

1<sup>st</sup> program

June 8<sup>th</sup>

## HOOP FOR FITNESS

is a fun-filled one hour session. Each session includes a professional instructor introducing movement and basic coordination skills, fun agility games, and a demo performance by the instructor.

4<sup>th</sup> program

June 29<sup>th</sup>

Is BACK! Comedian and vocal impressionist, teaches humor as a life skill.

Come be amazed as Charlie brings the Noise!

2<sup>nd</sup> program

June 15<sup>th</sup>

The Animal Science program Participants will meet and learn about a member of each of the following animal types: Reptile, Amphibian, Invertebrate, and maybe even a Fish! The audience will be asked to interact with the animals through “hands-on” volunteering, question & answer, and crowd participation activities.

3<sup>rd</sup> program **GENE CORDOVA**

June 22<sup>nd</sup>

Children will be delighted as they set sail with Gene and his cast of characters on an exciting voyage of discovery through reading and books. Everyone will laugh and learn as Gene uses his unique talents that include Ventriloquism, Puppetry, Comedy Magic, Storytelling, Balloon Antics and LOTS of Audience Participation.

...ALL...

PROGRAMS HELD

@ CIVIC CENTER

10:00 a.m.
